Do this by making a gross sales web page for the brand new ebook, but don't embody a value on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with totally different costs on every page. Ensure that your sales copy is strictly the same on each web page,

and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum worth is.

Finally, in the event you've written a e-book that solves a problem or presents a new technique, your e book will herald each site visitors and profits.
