An effective approach for determining a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion in terms of price. Do this by creating a sales web page for the new e-book, but don't embrace a value on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with totally different prices on each page. Be sure that your sales copy is strictly the same on each page, and consists of your promoting-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum price is.

In the end, for those who've written a book that solves a problem or presents a brand new approach, your guide will usher in both traffic and profits. So you'll want to write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 1144 book will be to the purchasers who purchase it.
