One other technique is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Be certain your gross sales copy is precisely the similar on every page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

Ultimately, should you've written a book that solves a drawback or presents a brand new method, your e book will herald both traffic and profits.
