An effective technique for determining a worth is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion by way of price. Do this by creating a gross sales page for the brand new guide, but do not embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with different prices on each page. Be sure that your gross sales copy is precisely the identical on

every web page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This will let you know what your optimum worth is.

Finally, when you've written a ebook that solves a problem or presents a new technique, your guide will herald both traffic and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your ebook solves and what the advantages of your 2138 e-book will be to the purchasers who buy it. And then watch your market come to you!
